

**WOODEN
FENDER**

She Said

7:00 pm Saturday January 12th 2019 at the Warwick Town Hall

The band features Tanya Bryant (guitar and harmonica), Torie O'Dell (acoustic guitar), Margaret Fitzpatrick (keyboards), Nina Rossi (bass), and Gail Hegeman (drums). These women write and play original music, all members contributing, and create a heartfelt blend of blues, rock and country. So get out your party coats, buff up those winter boots, and get ready to let the music sweep you away.

Wooden Fender's concerts are funded by your donations (\$5 minimum suggested).

Shake those winter Blues. Bring your best moves and hit the dance floor stomping!
